Title of Session: Teaching and Learning Using Elluminate Live!
Moderator: Zemina Hasham and Judi Fusco
Title of File: Elluminate Live
Date: July 19, 2006

Room: After School Online

[ED Note: This session took place in Elluminate. Zemina has posted the PPT slides to the Tapped In Library. To access the slides, click on the Tapped In tab, click on the subtab Library, and then look in Slides.]

BjB: have you downloaded Elluminate?

EmilieD: yes

BjB wonders if Zemina has any instructions for us?

ZeminaH: Hi BJ, what's the question?

BjB: should everyone log in to Elluminate now, Zemina?

ZeminaH: yes we are ready to go

JudiF joined the room.

BjB: when you click on the url you should be prompted to enter your name [To join the meeting room, all you need to do is click on the following link and enter your name on the sign in page: https://sas.elluminate.com/m.jnlp?sid=7&password=M.75DF699DC6559E73C2663010ADEE86]

BjB: Emilie? how are you doing?

JudiF smiles and waves

HalaH: I am still waiting to look for the latest update!

EmilieD: nothing happens when I click on the url

BjB: Emilie, check and see if you have a screen minimized

HalaH: loading"ELive" now. Is this going OK?

BjB . o O (or you may have a pop up blocker)

BjB nods to Hala

HalaH: maybe!!

HalaH: I'll check

EmilieD: no don't see anything blocked

EmilieD: anybody still there?

BjB: yes, Emilie

BjB: I'm not sure what the problem is

EmilieD: I have elluminate ready to go - do we have a log-in?

BjB: yes!

HalaH: I don't know what's wrong either

BjB: you're in, Hala?

BjB: Emilie, are you logging in?

EmilieD: what's the log in?

BjB: your name

EmilieD: ok

PatiT joined the room.

PatiT: Sorry I am late…I had class today and it ran over.

BjB: Hi, Pati. Can you log in to Elluminate?

BjB: there is a url in the note on the Tapped In webpage

PatiT: It's asking what I should open it with...

BjB: you've downloaded?

PatiT: Should I save it to disk?

EmilieD: I've logged in with Emilie and with Emilie D and both times it takes me to the configuration session to set up audio

HalaH: I have never encountered such a problem with it.It has always been so easy to open up

BjB: let that run, Emilie

PatiT: OK..I did something else and it appears to be running....

EmilieD: ok

PatiT: It says...Live elearning...

BjB: looked a little different to me also, Hala...just agree to everything

PatiT: Should I go to the live demo?

BjB: try it

HalaH: Maybe I should change my browser to Firefox

HalaH: I will try it now

BjB: I'm on IE

PatiT: I'm IN!!!!

HalaH: No use: sad

BjB: yay, Pati

BjB: strange, Hala. I know you've used elluminate before

HalaH: So many times!

HalaH: It keeps on telling me "checking for the latest version"

BjB: it did that for me also, but then loaded

HalaH: Now, I give up.

HalaH: Thanks for your help

BjB: sorry, Hala

HalaH: never mind

HalaH: I will check it later

HalaH maybe some other time

HalaH: bye

BjB nods and hugs by

HalaH hugs tight

BjB: nothing is being told that you don't already know!

HalaH: I am the expert!! Good to be told that at 2:41 a.m.

HalaH smile

BjB smiles

HalaH: good night/morning

BjB: sweet dreams
